Pricing

Brochure 4

April 2020

What is AusGeoTIFF?

AusGeoTIFF's are raster images of the Australian Navigational Chart Series in GeoTIFF format. For more information, see *Product Information, Brochure 1*.

How much does AusGeoTIFF cost?

AusGeoTIFF prices are based on the number of charts you select. To calculate prices, please refer to the instructions on the Pricing Tables.

How much do updates cost?

AusGeoTIFF update services are entirely optional & may be purchased for all or a selection of the charts in your portfolio. Update service prices are based on the number of chart images you select in your update portfolio.

How much does a licence extension cost?

By renewing your licence you will incur a \$165 Renewal Fee to cover the administration costs associated with extending your licence. An update of your portfolio of charts is included in this fee.

Are price reductions or waivers available?

Some organisations or individuals may not have to pay the full AusGeoTIFF price. Reductions or waivers may be granted to the following kinds of applicants:

- Some Commonwealth, State and Local Government organisations,
- Academic research,
- Some educational publications (such as school text books or examination papers),
- Organisations who provide significant material to us without charge.

If you think that you may qualify for a waiver, please explain your reasons in full on your application form.

Do prices include GST?

All prices include GST.

How much do I pay for a Site Licence?

AusGeoTIFF site licenses are offered in the following configurations:

- two to five sites,
- six to ten sites, &
- greater than ten sites.

For an indication of what a site licence will cost, refer to *Table B – AusGeoTIFF Site Licence Price List*. To obtain an exact price, please contact our Licensing Manager, see *Contact Details*.
